O. E. Hachmeister Is Elected Head of Antioch Lions Club

Antioch Merchant Succeeds Dr. D. N. Deering; Joedicke 1st Vice

Oscar E. Hachmeister, Antioch merchant, is the new president of the Antioch Lions club. Hachmeister, charter member and active in the club since its organization three years ago, was elected at the annual meeting held Monday night at Koukol's tavern. He succeeds Dr. D. N. Deering.

Other officers elected were: George Joedicke, 1st vice president; H. B. Gaston, 2nd vice; Jim McMillen, 3rd vice; Robt. King, secretary and treasurer; Herman Holbek, treasurer; William E. Brook, chairman; and Irving Carey and Walter French, members of the board of directors. Holdover members of the board are Edmund Vos and Frank Powles.

The new officers will be installed on June 24 when Dist. Gov. Elberth of Maywood is expected to induct the newly elected into office.

The outgoing officers were commended for the progress shown during the year. Dr. Deering and George Wagner, secretary, will turn over the affairs of the club's management to the new officers upon their installation, including the partially completed arrangements for the annual festival set for August 9, 10 and 11. Many unusual entertainment features planned for this year will make the event the best held in this locality, is the opinion of those who have been in charge of arrangements.

GORDON JAMIESON DIES IN MONTANA; BORN IN MILLBURN

Prominent Rancher, Banker Was Brother of Mrs. Inez Ames

Gordon R. Jamieson, 72, native of Lake county, and for 45 years a resident of Montana, where he became a prominent rancher and banker, is dead. He succumbed to a heart ailment on June 3 in a hospital in Glasgow. Masonic honors were accorded to his memory at the funeral service held Wednesday.

Present at the time of his death were his wife and daughter, and his sister, Mrs. Inez Ames of Antioch, who was called to Glasgow several days ago.

According to the Glasgow Courier "Mr. Jamieson was born in Millburn, Ill., June 11, 1867. He lived there until a young man, attending the common schools. When 20 he suffered a severe illness and went to the ranch of an uncle in western Nebraska to recuperate. It was soon after that he became associated with the J. B. Long company, pioneer western livestock firm.

"He and his brother Will trailed sheep for the Long company over the Oregon trail as far west as Pendleton. This was his first work. Later he and his brother purchased a ranch near Fort Benson and operated it until the brother's death. He first came to Montana in 1893."

The partnership of Jamieson & Murray was formed in 1914, according to the Courier, and lasted until Murray's death last September. It was one of the largest ranching concerns in Montana and at one time its sheep flocks numbered 35,000, but in later years the ranch was operated for cattle raising exclusively.

Jamieson was one of the organizers of the Farmers-Stock Growers bank of Glasgow in 1917, and he was president of it at the time of his death.

On Dec. 31, 1910, he was married to Miss Lillian Harris in Helena. Their only child is Mrs. Paul Hoffman, who lives in Washington. She flew to her father's bedside when his illness became of a critical nature a few days before his death.

A. J. Austin, Chicago, Dies of Heart Attack Here

Members of the Antioch Rescue squad worked for an hour and 25 minutes in a vain attempt to revive A. J. Austin, 42, of Chicago, who was stricken with a heart attack Sunday at the summer home of his brother-in-law, Freddie Austin, former big league ball player, on Lake Catherine.

Austin and his family had been spending the week at the Lindstrom cottage. On Friday evening he had suffered a heart attack, but had apparently recovered.

Moran Cottage at Channel Lake Burns; Loss, \$3,000

Estimated at about \$3,000 is the loss that was sustained by the E. W. Moran family when their cottage on Linden lane, Channel lake, was destroyed Monday by a fire starting in the kitchen. Nearby property was also threatened by the rapid spread of the flames.

Mrs. Anna Moran, mother of the owner of the home, received minor burns about the face and was given first aid treatment by rescue squad members. A valuable police dog was lost in the fire.

Fire breaking out in the attic of the Henry Lubkeman home, North avenue, brought a call to that address Sunday.

Black-White Show Stirs Interest of Holstein Breeders

Fourth Annual Show to Be Held at Libertyville Next Thursday

The fourth annual Black and White show staged by the Lake County Holstein breeders gives promise to be the biggest and best held so far. At the meeting of the various committees last week, most final details of the show to be held Thursday, June 20 at Hawthorn Farms, Libertyville were completed. According to a survey by Mr. Hunt of Allendale, at least 75 head of cattle will be on hand to have Professor Cash of the University of Illinois award the ribbons as to their individual merits. About 20 of these animals will be shown by the boys and girls in a showmanship contest which alone is creating intense interest.

Les White says he has a very prominent Waukegan man anxious to display his enthusiasm in the dairy industry by meeting all comers in a milking contest. Also several young ladies will have a contest to determine the one who has the best ability in this art.

Ken Munson says one of the herd sires in use at Hawthorn farm is one of the largest bulls of the breed. A prize will be awarded to the person who most accurately estimates his weight. James Davis, Ag. teacher at Waukegan, together with the other agriculture teachers will stage a cow judging contest. L. D. Carlson, Norman Stangeby, Gordon Jones, and Walter Krumrey, cow testers in Lake county are working on several unique stunts and contests for the entertainment of everyone.

Since June has been proclaimed dairy month, Lake county has been putting forth lots of effort on their part in promoting interest in the industry.

Steele to Defend Wrestling Title at Grayslake Friday

Ray Steele, 230-pound bronze Californian who conquered Bronko Nagurski before 22,000 mat fans in St. Louis a month ago to win the National Wrestling Association's official recognition as world's heavyweight champion, will defend his title claims against rowdy Rudy Kay, Chicago's gas-house kid, when he makes his Lake county debut Friday night in one of a double windup headlining the second all-star mat card of the summer season in Peg's Open-Air Arena at Grayslake.

Steele is appearing here partly out of protest because Nagurski wrestled at Grayslake a week ago and billed himself as world's title-holder. Now Steele hopes to be able to prove to local fans he and not Bronko is the rightful ruler of the mat sport.

The second big wind-up features mighty little Ruffy Silverstein, undefeated in three years of pro wrestling, against one of the best college wrestlers to turn pro in the past two years, "Tiger" Jack Moore, of Oklahoma A. & M. college. Oklahoma has won the national title every year for the past 14 years, and Coach T. J. Gallagher, outstanding college coach of America claims Moore can beat any TWO pros in the sport in the same evening. Ruffy Silverstein will seek to disprove this claim.

Big Chief Oslo Sanookie, 333-pound Indian giant who wrestled to a rough and tumble half hour draw against McMillen at Grayslake last week, returns to tangle with speedy, powerful Seeli Samara, the colored sensation. The other bout on the four-match program pits the Iowa scissor king, "Legs" Fred Grubmier, against the smooth Mexican champion, Juan Humberto, who lost to Nagurski following a slip on the rain soaked mat and a quick count by the referee. Grubmier won over Gorilla Grubmeyer on the same card last week.

Program for Convention of Firemen Listed

Parade, Street Dance and Demonstrations Will Be Among Events

The ladies as well as the laddies will be considered in the program being planned by the Antioch firemen for the Lake County Firemen's annual convention, to be held here Monday, June 24.

A style show, "Mardi Gras" and street dancing are among the events which will be of special interest to the wives and lady friends of delegates.

Main street between Orchard and Lake streets will be closed to motor traffic for the day, for the use of the firemen for their annual parade and the other outdoor events.

A golf tournament will be held at Chain O' Lakes Country club in the morning. Registration will be conducted at noon, in the Antioch fire station.

The afternoon program will open with the parade at 2 o'clock, followed with competition of fire companies in attaching and laying hose lines; water fights; fire department demonstrations; demonstrations of Red Cross life saving and first aid methods.

The street dance and style show will be held in the evening.

William H. Barber, of Pioneer Family, Dies, Aged 87

Son of Early Settlers Who Kept Original Antioch Hotel Passes

Joining the three generations of pioneers and their descendants buried in the old South Bristol cemetery was William H. Barber, 87, of Antioch, who was laid to rest there Monday following funeral services held at Strang's funeral home here.

Barber was born in Antioch Feb. 9, 1853, the son of Harlo and Sarah Barber, early settlers who came to this region from New York in a "prairie schooner." His parents kept the old, original Antioch hotel and tavern during the Civil War period. The hotel, which stood on the site of the present village park, just back of the Antioch hotel building that was razed a year or two ago, was the scene of many village social activities, and the dances held in its ballroom, where bountiful midnight suppers were cooked over the huge old fireplace, were the subject of many interesting reminiscences made by Mr. Barber.

Married Hattie Marsh
In 1874 he was united in marriage to Hattie E. Marsh, member of a well known Bristol family, who died March 26, 1937, at the age of 85.

Survivors include a daughter, Mrs. John A. (Nora E.) Barry; a son, Lee F. Barber, both of Antioch; a granddaughter, Dorothy Barber, now of New York City; a number of nieces and a nephew, Dr. Chauncey Barber, mayor of Chetek, Wis.

Dean Howard Ganster of Waukegan, a close friend of the family, officiated at the funeral.

Even in his later years, Barber led an active life and was an enthusiastic sportsman. In the fall of 1938 he was the oldest man to take out a hunting license, and he held the distinction of bringing down the first two ducks on Lake Winnebago that season.

His death took place at his home, 922 South Main street, Friday evening after only two days of illness.

Vail Medal Goes This Year to California Telephone Employee

This year's award of a silver Vail Medal goes to a telephone man for rescuing a power company employee from the top of a 30 foot pole where he had been burned and shocked by high voltage wires, it is stated in the current issue of the Bell Telephone News, issued by the Illinois Bell Telephone Company.

The telephone man is Farn W. Underwood, a splicer's helper at Santa Ana, California. He made the rescue during a severe wind and rain storm. For his quick action and courage Underwood receives the silver Vail Medal and \$250.

Vail Medal awards have been made during the past twenty years. Awards are made annually and are provided for by a fund established as a memorial to Theodore N. Vail, former president of the American Telephone and Telegraph company, who at the time of his death in 1920 had long been recognized for his conspicuous service in the development of the art of telephony.

'round the Lakes

Mr. and Mrs. Charles A. Anderson of Anderson's tavern at Petite lake are both reported to be recovering as rapidly as could be expected from injuries suffered in an automobile accident last week near Wilmet. Mr. Anderson, who has been in Victory Memorial hospital at Waukegan, is expected home the first part of next week.

A. G. Helm, proprietor of Adolph's Channel Inn on Route 1 1/2 west of Antioch, is inviting his friends to attend his First Anniversary celebration Saturday evening.

The season opening of "Duke," Duda's Little America resort on Klondike point will be held Saturday and Sunday. "Duke" is reminding his visitors to bring their poles and fishing licenses, as the bass season opens Sunday.

Refreshments and prizes for all will be features of the Second Anniversary party to be held at the "19th Hole," Route 59 at Petite Lake, it is announced by the manager, Gretchen Meinersmann. The party will be held on both Saturday and Sunday.

About 165 attended the buffet luncheon and golf "beano" held at Our Country club, Liberty Corners, Saturday under the auspices of the American Brass Foreman's club, Kenosha. This event has been held at the club for the past three years.

Continuing to grow in popularity are the home-fried lake perch and chicken at Haling's resort on Grass lake.

Anna Lillian Wade Opens Piano Classes in Antioch

The opening of piano classes in Antioch has been announced by Anna Lillian Wade, well known Kenosha teacher, who will be at Mrs. Sam Ries', 267 Park avenue, on Wednesday.

Miss Wade studied for four years with Rudolph Reuter, Chicago pianist, whose pupils include such well known players as Harold Van Horn and Dorris Wittich of radio and concert fame. She received earlier training from the late Victor Louis Saar, received her teacher's certificate, diploma, post graduate Bachelor's and Master's degrees in music under Miss Agnes Ryan, with whom she studied for eight years at the Chicago Classical School of Music. She also studied with Mrs. Hattie Friel of Hollywood.

She is affiliated with the faculty of the Chicago Classical school, having taught in Chicago as well as in Kenosha for a number of years. Two of her pupils are themselves at present teaching in Chicago, others have met with success filling commercial engagements, playing for dancing teachers, with school orchestras and with dance orchestras.

Miss Wade has appeared in concerts in the Fine Arts building, Chicago, and in the Woman's club, Kenosha.

LADIES' AID TO MEET WEDNESDAY

There will be a meeting of the Methodist Ladies' Aid society Wednesday, June 19th, at the home of Mrs. J. Dunning.

Election of officers will take place during the business session, which is to be followed by a social hour, and a bakery sale will be a feature.

Antioch Leads County League

Defeat New Munster Sunday; Aces Have Won All Games Played

With a string of five victories and no defeats, the Antioch Aces took the county league leadership Sunday by defeating New Munster, while Pikeville, tied with Antioch for first place last Sunday, lost.

New Munster has lost three games, Bristol lost all five and Twin Lakes has only one victory out of five starts. No report had been received today from Somers A. C., Springs and Brighton.

Pikeville comes to Antioch next Sunday, and fans say the game between the two league leaders should be a hummer.

Antioch Methodists Name Rock River Conference Delegates

S. E. Pollock was appointed delegate and Mrs. Druella Ferris alternate to the annual Rock River conference for a four year period, at the final quarterly meeting of the Antioch Methodist parish for the year.

Twenty were present at the meeting, held Wednesday evening in the church dining room with a pot luck supper preceding it. A. T. Stephenson, district superintendent, was a guest.

A request to have the Rev. W. C. Henslee retained here for the coming year will be presented by the Antioch parish at the Rock River meeting.

The hundredth anniversary of the founding of the Rock River conference will be observed at this year's meeting, to be held the first week in October.

Millburn Church Will Celebrate Its 100th Anniversary

First Meeting of Committees is Held to Prepare for Event Sept. 6-8

The Congregational church founded 100 years ago in the community that the Scotch homesteaders of 1840 called "Mill Burn" will celebrate its centennial Sept. 6, 7, and 8, according to plans made Friday evening.

Warren Thompson, publicity director of the Chicago Congregational union, met at that time with the historical, program and publicity committees of the Millburn parish as special adviser.

Committees for the centennial include:

The Rev. Melvin Lynn Frank is the minister.

On Sunday, June 23, the congregation will have its picture taken following the morning service at 10:30. The church and congregation will be included in the centennial booklet.

Rod and Gun Club Plans Busy Session For Tuesday Night

Movies, Talks, Awarding of Prizes, and Lunch Are to Be Features

Opinions on the plan for the Antioch Rod and Gun club to become identified with other sportsmen's clubs throughout the nation in a nation-wide move for home defense will be voiced by members of the local group at the meeting to be held Tuesday night in the local high school auditorium at 8 o'clock.

President R. G. Holtz has arranged an excellent program for the sportsmen, including moving pictures, talks and the awarding of prizes to winners in the recent crow-hunting contest. Lunch will be served after the meeting.

Special Summer Classes Announced by G. R. Drury

Georgia Ray Drury, who formerly taught in Antioch, is announcing the re-opening of her piano studio here and the arranging of special summer classes.

Mrs. Drury is the daughter of Mr. and Mrs. B. A. Ray. She has been conducting classes in Waukegan, including a rhythm class, and recently presented some of her pupils in a recital.

She will be located at the home of Mrs. Roy Kufalk, 995 Victoria street, where she will hold registrations Monday.

Her musical education includes a Bachelor of Music degree.

Keith Earl Nelson, 4, of Salem, Passes Away

Keith Earl Nelson, the four-year-old son of Mr. and Mrs. Gottfred Nelson, died at his home in Salem township Saturday evening following a long illness. He was born in Kenosha on January 28, 1936.

He is survived by his parents and by one brother and two sisters: Glenn, Jean and Joyce Nelson.

The funeral was held Tuesday at the Salem Methodist church, with interment in the family plot in Liberty cemetery.

Politics Adjourned

A great many so-called statesmen and columnists of the New Deal movement are now calling for the adjournment of politics. It might be well to pause for a moment and think over the implications.

There can be no politics, of course, in national defense. Every American who is worthy of bearing the name favors a defense in the United States which would absolutely assure us against alien attack from the East or the West. He favors also a sound defense against any enemies who may be lurking inside the gates. Now that the first hysteria following the invasion of Flanders is over it is pretty well agreed that the United States is in no immediate danger of assault from the Nazis. But we should, of course, set about the building up of our defensive armament against any and all possible foes, and this should be done by consultation and the wisest and soundest military, naval and business men without recourse to politics.

But when the average New Dealer asks that politics be adjourned he is not merely seeking to keep national defense out of politics. He wants President Roosevelt re-elected without opposition for a third term, defying the traditions of Washington and Jefferson. He wants also to continue the New Deal policies of

squandering the public's money on illusory schemes, and attempts to nourish bureaucracy and increase efforts to socialize business during another four years. Whether the country could stand four more years of this, is beside the point.

Certainly the continuation of New Deal measures for another four years with inefficiency and extravagance is a matter of politics. The American people have a right to express their opinion on this subject at the ballot box in November. Certainly national defense is not a matter of politics. But New Deal spending, government invasion of private business, gold and silver hoarding, are indeed matters of politics.

While Washington Fiddled

Think of the billions the New Deal spent in "leaf-raking" projects while our pitiful airforce grew obsolete and the old war-time field guns gathered rust.

Think of the hundreds of millions that were poured out to fix unfixable prices and to gather in fixable votes. Think of the unprecedented spending according to political expedience, rather than according to plan.

Think of the lengthening "period of emergency," debt rising with taxation, the attempt on the part of the left wing theorists to foment strikes and disorder in order to hasten the dawn of industrial socialism, the confusion and fear which effectively halted industrial expansion, the government fostered union labor monopolies which "froze" a faithful few into the best jobs, hamstringed the apprentice system, and which has now actually created a shortage of skilled machinists in a time of national peril.

And then ask yourself if the New Deal has been a help or a hindrance in solving our current problems of national defense.

LAKE VILLA

Lake Villa Community Church
Methodist—I. B. Allen, Pastor
Sunday School—10:00 A. M.
Worship Service—11:00 A. M.

Dist. Supt. A. T. Stephenson will be held Friday evening, June 14, to conduct the Fourth quarterly conference of this church, and as it is a very important meeting, every member should be present. The meeting will be at the church at 8 p. m.

The next regular meeting of the Ladies' Aid society will be held with Mrs. Stella Pedersen at her home on Wednesday afternoon, June 19, and visitors are welcome.

Mrs. Herbert Nelson, who broke her hip during the icy time and has been in the hospital for fourteen weeks, was able to come home Tuesday afternoon and is able to get about a little with the aid of crutches. Their son and daughter-in-law, Mr. and Mrs. William Nelson, are with them for a while.

Phyllis Chope slipped and fell at her home last week and as a consequence fractured her ankle and it is now in a cast.

Mr. and Mrs. Dick Farm are receiving congratulations of friends on the birth of a son on Wednesday of last week.

Mr. and Mrs. William Schneider of Libertyville visited Mrs. Schneider's mother, Mrs. Anna Nader, last Sunday.

Mr. and Mrs. Clarence Blumen-schein and sons, Gordon and Kenneth, also Mrs. Blumen-schein's father, Mr. Baker, started Monday afternoon for Mankato, Minn., to attend the golden wedding celebration of Mr. Blumen-schein's parents there, and which was also the occasion for a family reunion. They returned Thursday night.

Mr. and Mrs. William Weber and children were dinner guests of friends in Evanston last Sunday.

Mrs. Mary Nickerson was hostess for her birthday club at a pot-luck dinner at her home last Wednesday. Cards followed during the afternoon, and Mrs. Nickerson received a lovely gift.

Mr. and Mrs. John Meyer and Mr. and Mrs. Philip Wagner spent Sunday with Mr. and Mrs. Verne Sharp at Rochester, Wis., to celebrate their first wedding anniversary.

Mrs. Seeger entertained her sewing club at her home last Thursday afternoon.

The fire department was called out early Sunday morning when a car driven by Morris Wilkinson of Monroeville was crowded off the road near there into a deep ditch and caught fire. No one was hurt, but the car was almost a complete wreck.

Mrs. Ben Cribb entertained the Senior and other friends at a shower in honor of Mrs. Ruth Allen Monday night at the Cribb home. It was a complete surprise and Mrs. Allen was presented with many pretty and useful personal gifts as a remembrance of the many friends she has made here. The Allen family will leave soon for new work in Sioux City, Iowa. Mrs. Lena Eckdahl read an original poem for Mrs. Allen and the evening will long be remembered by those present.

A public party will be held at the Sherwood park on Saturday evening for the benefit of the recently organized Cedar Lake Improvement Association for the purpose of ridding the lake of weeds and otherwise improving it. There will be good music for dancing besides other attractions.

George Feck of Evanston visited his aunt, Mrs. Thayer, from Friday until Sunday of last week.

TREVOR

Mr. and Mrs. Charles Oetting entertained Mr. and Mrs. Easer and children and William Oetting, Riverside, Wednesday.

Mr. and Mrs. Nelson, Kenosha, were Wednesday visitors at the Louis Collins home.

Mr. and Mrs. Russell Smalfield, Kansasville, were Sunday evening guests of Mr. and Mrs. Theron Hollister.

Mr. and Mrs. Frank Runyard, Channel Lake, were Friday evening visitors at the Joseph Smith home.

Mrs. Thomas Schulkins returned to her home in Cleveland, Ohio, Thurs-

day morning, after spending the past few days with relatives and friends in Trevor.

Mrs. Champ Parham accompanied Mrs. Hans Deitrich of Twin Lakes to

Libertyville Wednesday, and Mrs. Fauth, Chicago, returned with them for a few days' stay with Mrs. Deitrich.

Mr. and Mrs. Gus Fanslau, Chicago,

"THE GOLDEN RULE OF TELEPHONING"

ANSWER PROMPTLY—otherwise the person calling may think you are not there and hang up, some-times causing you to miss a very important call.

BE SLOW TO HANG UP when calling. Stay at the telephone until you get an answer, a "busy signal," or until you are reasonably sure no one will answer.

SPEAK INTO THE MOUTHPIECE with your lips about one-half inch from it. This position gives the best voice transmission and the clearest reception.

BE SURE OF THE NUMBER before you call. If you're not quite sure, look in the directory. You may save time and avoid a "wrong" number.

SPEAK DISTINCTLY and about as loud as in ordinary conversation. Your normal tone of voice conveys your message most clearly. No need to shout.

HANG UP GENTLY after making certain the other person has finished. Hanging down the receiver may cause a harsh sound in the other person's ear.

CORNELIA ROBERTS HOME FROM CANADA, LEAVES ON TOUR

Miss Cornelia Roberts was home from Moulton college, Toronto, Monday for a brief visit with her parents, Mr. and Mrs. H. S. Roberts, at Merry Glen, Lake Marie.

She left Tuesday for Bloomington, Ill., to start on the geography and history field course trip sponsored each summer by the teachers' college there. Miss Roberts has also acted as an instructor on these tours in past years.

Miss Roberts expects to return to Moulton next year. She reports that "everything is at unrest in Canada, as schools are trying to place the evacuated children for the duration of the war. None of the girls who were in Antioch at Christmas time (English students from Moulton who were Miss Roberts' guests here for the holidays) return to their homes now, as they expected to do."

The field course trip in which Miss Roberts is taking part will go from Normal, Ill., to Juarez, Mexico. Stops will be made at the Grand Canyon, Boulder, Los Angeles, Catalina, Yosemite, San Francisco. The tour will follow the Pacific coast northward to Seattle, thence to Lake Louise, Banff and back by way of Calgary, Glacier National Park, Devil's Lake, North Dakota, Duluth, and the Wisconsin Dells.

FORMER KANSANS ENJOY OUTING

The Misses Ruth and Ruby Moore, Chicago, Miss Marvel Poland of Arlington Heights, Merle Poland of Fort Sheridan, Miss Lois Reeves and Miss Caroline Hashman, of Oak Park, Gordon Jones, of Harvard, Fred Zilke and the Rev. and Mrs. W. C. Henslee of Antioch, enjoyed a pleasant afternoon at the A. B. Hashman home on Lake Catherine Sunday. After a picnic dinner on the banks of the lake all enjoyed a spin in Miss Caroline Hashman's motor boat. In the evening the party came to the home of Rev. and Mrs. Henslee for supper and a social evening. Seven of the group were formerly from the same town in western Kansas.

F. C. Y. TO MAKE TRIP TO MILWAUKEE JUNE 16

The Young People of the Federated Christian Youth group of Lake county will visit the shrine at Holy Hill in Milwaukee, on Sunday, June 16.

Those who wish to go ahead should meet at "Twin Towers" on Skokie, by way of highway No. 173 at 1:30 o'clock.

The group will also visit Washington Park, where they will have a picnic lunch. Each one is to bring a dish to pass and his own plate and silverware.

Participation in the tour is not limited to club members, the group announces.

"MESSAGE TO CHRISTIANS" TO BE BAHAI SUBJECT

"The Bahai Message to the Christians" will be the subject of the weekly Bahai broadcast sponsored by the Racine Bahai assembly over WRJN. The time is 3 o'clock (daylight saving time) each Monday afternoon. Mrs. A. F. Matthiesen of Bristol, Wis., member of the National Bahai Radio committee, directs and broadcasts this series.

Kitchen Short-Cut

In saving fats for cooking, use paper cups. When the fat is needed, peel off the paper or cut a slice of the desired size right through the cup. No fat is wasted, and best of all, no greasy dish has to be washed.

Balloons in Warfare

The French were probably the first to recognize the value of balloons for war purposes, a special study being given to the subject during the French revolutionary wars. Reconnoitering balloons were subsequently used in the French campaign in Italy in 1859. During the siege of Paris (1870-71), communication was effected between the besieged and the provinces by means of balloons carrying pigeons which were liberated to bring back news. Military balloons were used in the United States by the Federals during the Civil war.

Liquid Air Engines

The Japanese are running engines on liquid air. A small unit is said to have pushed a 27-foot boat along at 4.6 knots, for an hour and a half.

CHRISTIAN SCIENCE CHURCHES

"God the Only Cause and Creator," was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 9.

The Golden Text was, "Ah Lord God! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee" (Jeremiah 32:17).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Then he called his twelve disciples together, and gave them power and authority, over all devils, and to cure diseases. And he sent them to preach the kingdom of God, and to heal the sick. And they departed, and went through the towns, preaching the gospel, and healing every where" (Luke 9:1, 2, 3).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause. Sin, sickness, disease, and death belong not to the Science of being. They are the errors which presuppose the absence of Truth, Life, or Love. The spiritual reality is the scientific fact in all things" (p. 207).

MILLBURN

The commission of the Christian Endeavor society under the leadership of Mildred Bauman, served a waffle supper to the other members of the society on Sunday evening, June 9. The delegates to the Pilgrim Fellowship meeting in Moline, Ill., on May 12 gave a report of the meeting and their interesting trip. Next Sunday night, June 16, the Christian Endeavor will meet at the Gordon Bonner home for an outdoor meeting.

Mr. and Mrs. Leslie Bonner and daughter, Beryl, drove to Wheaton, Ill., on Sunday where they attended a concert at Wheaton college. Their niece, Miss Nita Faye Weller of Three Oaks, Mich., is graduating this year from Wheaton.

Mr. and Mrs. Dave Pullen of Zion were callers at the D. B. Webb home Sunday afternoon.

Lloyd Atwell, Jr., of Lake Villa, spent Thursday and Friday at the home of his uncle, Ralph McGuire.

Glenn Hauser is spending the summer with his grandmother, Mrs. Charles Hoff, at Camp Lake. Miss Gladys Hecksweiler of Ivanhoe, Bernice and Earl Bauman, and Kenneth Denman drove to Ames, Ia., on Sunday to attend the commencement exercises of the University of Iowa on Monday. William Bauman was among the graduates.

Mrs. Ruth De Santis and family of Chicago spent Saturday with her parents, Mr. and Mrs. A. J. Johannson.

On Sunday, June 16, the Campus club will enjoy a picnic dinner in Deannan's woods.

Robert White and Richard Prince attended the University of Illinois 4-H Club tour on June 4 and 5.

Miss Marjorie Doolittle of Grayslake was an overnight guest of Miss Lois Bonner on Friday.

The annual Children's Day service was held at the church on Sunday. The theme of the service was "Three Lord's Prayer," with an interpretation in living pictures by the Sunday school. One pupil, Jack Choje, was presented with a perfect attendance pin, and Joseph Rush and George Swenson each received a Bible. Two children, Frances Kenmore and Patricia Ann Ames, were baptized.

Lloyd Strang of Urbana, Ill., is spending a week at the home of his parents, Mr. and Mrs. Victor Strang. Mr. and Mrs. Robert Erwin and Mrs. George Edwards of Waukegan were callers at the Frank Edwards home Sunday afternoon.

The Christian Endeavor business meeting was held at the home of Mr. and Mrs. Emmett King on Friday evening. Plans for a picnic to be held at Lake Geneva on June 30 were made.

The Treasure Chest

(By A. Channell)

"God divided man into men that they might help one another." (Anon)
 "Verily, not by hatred does hatred cease, but only by love does hatred cease." (Buddha)

"God screens us evermore from premature ideas—our eyes are holden that we cannot see things that stare us in the face until the hour arrives when the mind is ripened. Then we behold them and the time when we saw them not is like a dream." (Emerson)

"The only man who is safe from unkind criticism is one who does nothing, says nothing, and is nothing." (Elbert Hubbard)

"There is nothing noble in being superior to some other man; true nobility is in being superior to your previous self." (Anon)

"It is possible so to adjust oneself to the practice of nobility that its atmosphere surrounds and colors our every act. When actions are habitually and conscientiously adjusted to noble standards, with no thought of the words that might herald them, then nobility becomes the accent of life. At such a degree of evolution one scarcely needs try any longer to be good, all acts are become the distinctive expression of nobility." (Abdul-Baha)

"A weak mind is like a microscope, which magnifies trifling things, but cannot receive great ones." (Chesterfield)

"Our minds are like certain vehicles—when they have little to carry they make much noise about it, but when heavily loaded they run quietly." (Burritt)

"We have two eyes, two ears and one mouth that we may see twice as much and hear twice as much as we say." (Chinese)

"You can't know you're true blue until you have stood the rains of life and demonstrated that your colors don't run." (Kaufmann)

The Observer

A Pikeville carper wants to know if that pile of ashes and tin cans in front of the South Bristol school is part of a schoolground beautification program.

A visitor to the News office said on Tuesday that from the way things looked, by the time summer got here it would be too late in the fall to enjoy it.

The cold weather has been hard on Main street look-overs, on account of it has sorta discouraged the usual summer slacks and shorts parades.

J. C. James, one of our Observer readers, was in the other day complaining on account of the column was cut short that week. It's little things like that that seem to make life worth living. Funny how a word of appreciation at the right time kind of warms a person's heart, isn't it? Whether it's the way a man runs his business or his farm, or how a woman dresses, or any one of the hundreds of things people do, folks always like to feel that someone else approves of them.

Seems there's an awful lot of yelling about how the United States will have to join in the war to "protect her interests." First time we ever knew this country was to tottery and feeble she couldn't look out for herself. Better to lose a little business than to be someone else's catspaw. Not that we haven't our sympathies, of course . . . even though a few memories of the "Uncle Shylock" and World War debt businesses might rankle a little. . . . However, the present European war certainly has shown up as a horrible example of what dictatorship can come to mean for the people who suffer themselves to be yoked under them. . . as well as for those whom they attempt to conquer. . . . Just the old racketeer game, carried a degree further. Felks in Europe who used to point with scorn to America's gangsters never did seem to realize that they were not so much an American idea as a European importation, an alien incubus that slipped in unbeknownst like among the bulk of worthy, desirable citizens and contributions from other nations. . . . Maybe it's time for the pendulum to swing the other way in Europe. . . . away from a sort of reign of terror to an era of "square dealing." No matter who wins the present fracas, all sides will lose, and future generations will be paying for this "blow-out" for quite some time to come. A military victory won't give either Germany or Italy England's adept diplomacy or genius for commerce. Paris, and not Berlin or Rome, will still be dictator of fashion. It would be hard for another country to assume the innate, if occasionally somewhat unscrupulous colonizing genius that has been England's and France's for about 300 years. . . . The seeds of another European war are probably being sown right now. Twenty-five years from now, more or less, another generation will perhaps be reaping them. . . . if some of these European nations don't get busy and get wise to themselves. In fact, we might think it over a little bit ourselves, too.

WEEKLY NEWS ANALYSIS By Farnham F. Dudgeon

Full Strength of German Army Hits New French Defense Line; First Nazi Bombs Fall on Paris

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.)
Released by Western Newspaper Union.

In Madrid, Spanish students, no doubt prompted by Rome and Berlin, recently staged demonstrations urging return of Gibraltar, world's greatest fortress, from English control to Spain. Until shortly after the Munich crisis, when England learned what she might some day have to face, only this high rickety fence separated the mighty fortress from the Spanish mainland. Since that time engineers have labored unceasingly to protect this Achilles heel of the key to the Mediterranean. In a war with England Italy may strike one of her first blows at Gibraltar. Its surrender may be asked as an alternative to a German blitzkrieg on England, some war oracles claim.

MORE WAR:

Big Push

With the same deadly technique that has humbled Poland, Scandinavia, Luxembourg, The Netherlands and Belgium, Adolf Hitler turned from his "triumph" in Flanders to launch a mighty drive through central France—aimed directly at that nation's capital, Paris.

As usual this technique included the thousands of well-equipped troops, supported by the now-famous and highly feared dive bombers, strongly armored tanks and the mightiest of heavy artillery.

Full strength of the drive struck at the heart of the French line which stretches across 200 miles of French soil along the Somme and Aisne rivers. This line of troops, under the command of Gen. Maxime Weygand, was hastily bolstered while the Nazis were busy with their attack on the British and French forces escaping from the Flanders battlefield via Dunkirk and the English channel.

But if the allied line of battle had been bolstered it was done with French soldiers and not British Tommies.

For from London came word that for the time being France would be forced to bear the brunt of the German attack as the English in escaping the Nazi trap in Flanders, following Belgium's capitulation, had been forced to leave behind huge stores of equipment. Until these could be replaced the British army could do little to help their allies on the continent.

Wings Over Paris

Not only were the German bombers doing their work on the battlefield—they penetrated much further than the troops. For the long expected bombing attack on Paris was carried out.

Evidently the first air raid was not aimed at the city itself but at airports and other military objectives on its outskirts. Even French officials admitted that it did not look like the "bombing of an open city" and while they promised to repay Germany, bomb for bomb, their attacks would also be directed at strategic military points, they added.

In this first raid about 1,000 persons were killed, at least that many

President Roosevelt became a grandfather again as a boy was born to Mrs. Anne (Clark) Roosevelt, wife of John, his youngest son.

Movie Executive Joseph Schenck was indicted in New York by a federal grand jury on 24 counts of income tax fraud. A \$400,000 tax evasion is involved, according to the government's charge.

Acting president of Smith college and mother-in-law of Charles A. Lindbergh, Mrs. Dwight W. Morrow has urged immediate aid to the allies, asking that we send them "everything that could help win their struggle against Germany."

Ambassador William C. Bullitt cabled the secretary of state, Cordell Hull, a dramatic account of his escape from a Nazi bomb during a raid on Paris. Heavy bombs fell on all sides of the building in which he was attending a luncheon and one "dud" that did not explode struck within a few feet of him, he said.

more injured and immense property damages inflicted. The French, retaliated with bombings of a Munich motor factory and military bases near Frankfurt-on-Main.

PREPAREDNESS:

'Tragically Short'

As the nation-wide drive to build up military defenses went forward with every governmental agency straining to the utmost to be helpful, Gen. George C. Marshall, army chief of staff, told congress that manpower is the army's "tragic shortage." And he added it is the "only thing in a large measure, that can produce immediate results."

Earlier he had said that procurement of equipment was the most vital need, but when his testimony before a house appropriations subcommittee was made public it was learned that he believed the army's maximum peacetime strength of 280,000 men would be unable to handle emergencies stemming from the current international situation.

While he opposed suggestions that citizens military training camps be expanded to meet army personnel demands, he favored a plan, now authorized but never used, whereby young men could be trained for three or four months and then be allowed to go back to their regular occupations. Thus a huge reserve of partly trained men would eventually be built up.

Compulsory?

From some congressional sources came the prediction that if Germany wins the European war, such military training will become compulsory. Setting up a training system of this type has been widely discussed since the President's recent proposal to give him control of the National Guard and Organized Reserves was announced.

It is argued that under such a plan a defense system would prove less costly than attempting to build up a large army of permanent troops. Rep. Smith (Dem., Conn.) claims that half of the 1,500,000 youths who reach military age each year could be trained and would provide an adequate standing army during their terms of training. Under such a system these men would receive much less pay than regular soldiers.

C. O. D.

How all this (and the rest of the defense program) was to be paid for is proving a tough problem for congress.

For as it now stands the new preparedness drive is going to cost U. S. taxpayers some five billions of dollars. And as the cost of maintaining these new forces increases it is estimated that the annual bill for new defenses will be something like \$1,000,000,000.

Most discussed plan for providing a major portion of this sum is one which calls for a broadening of the income tax base to include all incomes of \$800 and up per year. At present the base exemption is \$1,000.

AGRICULTURE:

Prospects

June cash income for U. S. farmers is estimated to remain at about the same figure for the month as in the past two years—\$600,000,000—according to current reports of the department of agriculture.

While prices of several important farm commodities have hit the skids and declined sharply in recent weeks, due to influence of war on the markets, no startling losses will be evidenced currently in the farmer's income.

Running Mate?

Prime favorite in the current vice presidential nomination stakes for President Roosevelt's running mate (should he "choose to run") is Sen. James F. Byrnes of South Carolina. It is understood that the President made definite overtures to the senator to become his partner on the ticket during a conference on a recent Potomac cruise.

STARS AND STRIPES: Salute

If state laws so require, U. S. school children must salute the American flag, according to a decision handed down by the Supreme court. Reasoning: The flag symbolizes a national unity—which transcends all internal differences—religious or otherwise. In its ruling the court upheld action of a Pennsylvania school board which had expelled two children for refusing, on religious grounds, to salute the flag.

In the little coal mining town of Moweaqua, Ill., four men, said to be members of a religious sect known as "Jehovah's Witnesses," were rescued from a group of aroused citizens who threatened violence after one of the four allegedly defamed "Old Glory."

In Waxahachie, Texas, 90 members of a religious sect were jailed after attempting distribution of literature described as of "a pacifist nature." Officials were forced into action after a deluge of phone calls objecting to the literature which urged nonallegiance to "man-made" government.

PAN-AMERICA:

Mr. Dies Goes South

Rep. Martin Dies, chairman of the house committee investigating un-American activities, announced that his probe will be extended to take in all of the 21 American republics. This news reflects congressional concern over reports reaching Washington that German fifth columnists are active in South America. Mr. Dies said that his investigators are already gathering information along the Mexican border.

Closest co-operation with other Western hemisphere nations is being sought, he added.

Indelible

Voters of the Republic of Panama turned out in record numbers to elect Dr. Arnulfo Arias as their next president. This election had taken on particular significance because of reports that the government had nipped an abortive scheme to disrupt the election and turn the day into an occasion for a revolution. In addition, the other presidential candidate, one Dr. Ricardo Alfaro, leader of the oppositionist popular front, withdrew his name at the last moment and urged his backers not to vote as they were being "denied the right of franchise." Just what he meant wasn't exactly clear but one thing was evident. Election officials were taking no chances on "repeaters" voting. Each voter had to present his identification certificate and have his forefinger dipped in indelible ink.

It appears that he has the nomination of his party safely tucked away should he want it. Paul McNutt has withdrawn from the opposition; Vice President Garner is quiet and his boom apparently has fizzled; Senator Wheeler of Montana has said, "It looks like Roosevelt."

POLITICS:

Clear Field

As the roar of Europe's war becomes louder, its effect upon the American political scene is daily becoming more pronounced. In the main, it has been most decidedly felt in the Democratic party, where party leaders feel these war conditions will surely "force" President Roosevelt to seek a third term.

It appears that he has the nomination of his party safely tucked away should he want it.

Paul McNutt has withdrawn from the opposition; Vice President Garner is quiet and his boom apparently has fizzled; Senator Wheeler of Montana has said, "It looks like Roosevelt."

Still there are many insiders who believe Secretary of State Cordell Hull will get the nod, come convention time. Amid all this guesswork this much stands out as fact: International conditions have plucked the choice of the Democratic party's candidate directly in the lap of the nation's Chief Executive. He can have the nomination if he wants it and if not he can name the fair-haired boy he wants to make the bid. Until November, then, Franklin Delano Roosevelt has a clear field.

When the Whiporwill—Rawlings. Stories of the inland Florida people by the brilliant author of that most memorable novel, "The Yearling." A few of the stories are of novelette length, but all have the same warm humanity, live humor, and philosophy that are the endearing qualities of "The Yearling."

Titanic—Precht. A novel of ideas and discussion, built around the fatal voyage of the Titanic, dramatizing the great sea disaster and graphically depicting the collapse of a social order as well.

In Brief Review
The Art of Living—Maurois. Practical philosophy of a noted French writer.

The Trees—Richter. Tender, simply told novel of pioneers in the American wilderness. No More Gas—Nordhoff and Hall. Gay, rollicking tale of Tahiti. Testament of Friendship—Brittain. An English writer's biography of Winifred Holtby, late novelist.

Portrait of Jennie—Nathan. A different and beautifully told love story with a quaint atmosphere. Moment in Peking—Yutang. A thrilling and absorbing novel of Chinese life.

The Nazarene—Aesch. A tale of the coming of Christianity. Imperial Twilight—Harding. Biography of the last of the imperial Hapsburgs.
